**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR §§1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Supplemental Information Disclosure Statement (IDS) is filed before the mailing date of a Final Office Action or a Notice of Allowance as far as is known to the undersigned (37 CFR §1.97(c)(2)). This IDS is accompanied by the appropriate fee of \$180.00 as required under §1.17(p).

The Patent and Trademark Office has waived the requirement under 37 CFR §1.98(a)(2) to submit copies of U.S. patents and U.S. patent application publications when citing and submitting an Information Disclosure Statement in a patent application filed after June 30, 2003, and in an International application that has entered the national stage under 37 USC §371

after June 30, 2003. Accordingly, copies of such US documents are not supplied in connection with this application. Applicants submit herewith copies of the foreign and non-patent references cited in the attached form SB-08 in accordance with 37 CFR §1.98(a)(2). A copy of a British search report from a related application is attached and cited on the form SB-08. The report cites a Mothercare GB Patent No. 220 848. That number was discovered to be clearly erroneous. Upon inquiry, the correct GB Mothercare Patent No. 2 220 848 was discovered. Both are in the English language and copies of both are attached.

The applicants also wish to direct the Examiner's attention to pending Reissue Application No. 10/702,055, which relates to the subject matter of the Memorandum in Support of Summary Judgment attached and cited on the form SB-08. The original patent number for the reissue application was 6,612,649 assigned to Cosco Mgmt., Inc. and reassigned to Dorel Juvenile Group, Inc. The noted Memorandum in Support was prepared and submitted in a litigation at least peripherally relevant to this application.

In accordance with 37 CFR §1.97(g), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. In accordance with 37 CFR §1.97(h), the filing of this Supplemental Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

Application No.: 10/691,618

Atty. Docket No.: 10000-02 GRA-01B

It is submitted that the Supplemental Information Disclosure Statement is in compliance with 37 CFR §1.98 and the Examiner is respectfully requested to consider the listed references.

Dated: June 13, 2006

Respectfully submitted,

By
